#### REPORT OF THE GOVERNORS FOR THE YEAR ENDED 31 JULY 2019

The Governors present their report and the financial statements for the year ended 31 July 2019.

#### **Objective of the Charity**

The principal activity of the Oxford Centre for Hebrew and Jewish Studies (the "Centre") is the advancement of research and education in the field of Hebrew and Jewish Studies. The Centre is sometimes referred to as the "Charity" in the accounts. A full review of the Centre's activities setting out the achievements of the Centre in meeting its objectives is contained in the separately published academic report for the academic year ended 30 September 2019.

## Organisational and decision-making structure

All major decisions of the Centre are authorised by its Board of Governors which meets not less than 3 times each year. Other main decision-making committees, which all report to the Board of Governors, are the Academic Council, Investment and Library Committees.

#### **Charitable status and associated Charity**

The Centre is a registered charity in England and has no liability to corporation tax on its charitable activities. The Centre is administered under its Memorandum and Articles of Association. The Centre is a company limited by guarantee and has no share capital. Each member undertakes to subscribe £1 in the event of a winding up of the company. The income and property of the Charity must be applied solely towards the promotion of the objectives of the Centre.

Accounting for The Yarnton Trust is included within the Centre's financial statements as authorised by the Uniting Direction dated 22 May 2008; however, the value of the individual funds within the Trust are detailed in the Notes to the Accounts (note 15).

#### **Operating locations**

All the Centre's operations are based in the Clarendon Institute in central Oxford.

#### **Investment powers**

Under paragraph 10 of the Memorandum of Association, the Centre has the power to invest money, not immediately required for its purposes, in or upon such investments, securities or property as the Governors think fit.

#### Financial review

A statement of financial activities ("SOFA") for the year has been produced on page 8, showing movements on unrestricted, designated, restricted and endowment funds. The operating deficit for the year on unrestricted funds, before transfer of investment income was £573,074 (2018: £318,142). After transfer of investment income and net gains on sales and revaluation of assets, net movement in funds for the year was £206,578 leaving a balance at the end of the year of £187,175 (2018: £(19,403)).

The surplus for the year as shown in the summary income and expenditure account was £177,192 (2018: deficit of £107,007).

Total funds at the end of the year were £15,949,466 (2018: £14,710,527), an increase of £1,238,939.

#### Funds and reserves policy

In accordance with the relevant SORP, the Centre's funds are shown in the SOFA and on the balance sheet.

Total Fixed Asset Endowment Investments at 31 July 2019 were valued at £14,070,537 (2018: £14,153,174).

Governors aim to maintain endowment reserves to provide a regular income for the support of the Centre's operating activities in the future.

During the year a sum of £535,000 was drawn down from the General Endowment fund held by JM Finn. This was used to cover the Deed of Gift payable to the University under the new agreement that came into effect in September 2018.

#### **Fund-raising activities**

The Centre received donations of £178,347 (2018: £278,934) and legacies of £1,219,435 (2018: £9,943) during the year.

## REPORT OF THE GOVERNORS FOR THE YEAR ENDED 31 JULY 2019 (continued)

#### Risk review

The Centre carries out an annual assessment of major risks which are reviewed periodically by a committee of Governors. In the view of the Governors, risk management and internal controls are appropriate for the Centre's activities.

#### Pay policy for senior staff

The Governors, who are the Charity's trustees, and the senior management team comprise the key management personnel of the Charity in charge of directing and controlling, running and operating the Charity on a day to day basis. All Governors give of their time freely and no Governor received remuneration, for their role, in the year.

The pay of the senior staff, made up of the President and Bursar, is reviewed annually and normally increased in accordance with the cost of living increment set out by Oxford University.

The President's salary is agreed via a remuneration committee made up of Governors. The Bursar's salary is agreed by the President with reference to the Governors, and it is benchmarked against academic average pay levels for similar roles.

The cumulative amount for total salaries paid to senior management in the year ended 31 July 2019 was £35.031.

#### Strategic objectives

The Centre is dedicated to promoting the highest standards of academic excellence; devoted to the advancement of knowledge through research, scholarship, publication, teaching and service to the profession; and committed to the dissemination of knowledge for the greater good of society.

The development of Jewish Studies at the University of Oxford is a prime responsibility of the Centre. The Centre provides funds for teaching for most of the Hebrew and Jewish Studies courses taught at the university and funds, houses and administers the Centre for Hebrew and Jewish Studies of the University of Oxford, to which the academic activities of the Oxford Centre for Hebrew and Jewish Studies were formally transferred on 1 September 2018.

The Leopold Muller Memorial Library augments the resources of the Bodleian Library by serving as a major repository of books and materials relating to Jewish studies.

The Board of Governors exercises its responsibilities of financial oversight, establishing policies, engaging in strategic planning, representing the institution to outside constituencies, contributing to and/or helping fundraising and providing expertise in areas needed by the Centre.

#### Objectives of the Charity and activities for the public benefit

The Centre is devoted to promoting the study of Hebrew and other Jewish languages and to Jewish thought, history, literature, culture and society of all periods.

The research activities of the University of Oxford, funded, housed and administered by the Centre, aim to give the scholarly world and the general public a better understanding of Jewish issues.

The Centre funds teaching for all degrees in Hebrew and Jewish Studies at the University of Oxford. Scholars from many countries and every continent come to the Centre to study and research Hebrew, Yiddish and Jewish culture. All University courses taught by teaching staff of the University of Oxford, funded by the Centre, are open to all who meet the admission requirements which are based on scholarly attainment and potential.

The Centre also holds lectures, symposiums and conferences for the general public.

As the foremost institution of its kind in Europe, the Centre fulfils an international role. It has forged close relationships with universities and research bodies in many other countries.

# REPORT OF THE GOVERNORS FOR THE YEAR ENDED 31 JULY 2019 (continued)

#### Objectives of the Charity and activities for the public benefit (continued)

The Centre's library is one of the most important open shelf research facilities in Europe in the field of Jewish studies, and the Centre has become an established meeting point for scholars from across the world.

The Centre is committed to making its research findings in Jewish history, languages, literature and culture available to the general public by all available means.

The Governors confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Centre's aims and objectives and in implementing and planning current and future activities.

#### Method used to recruit/appoint new trustees including constitutional provisions

New trustees are appointed as follows, in accordance with the Centre's Memorandum of Association.

- 1) Four trustees (University Board Members) are appointed by the University of Oxford (two by the Humanities Divisional Board and two by the Board of the Faculty of Oriental Studies).
- 2) All other trustees ('Ordinary Board Members') are co-opted Governors by the existing trustees.
- 3) The Centre's constitution requires a majority of the trustees to be Ordinary Board Members.

#### Policies and procedures for induction and training of trustees

New trustees are inducted by the Centre's President, who is responsible for ensuring that trustees are aware of the aims and purpose of the Centre and the procedures and duties of the Board of governors as trustees.

#### Governors' responsibilities

The Governors (who are also directors of the Centre for the purposes of company law) are responsible for preparing the Report of the Governors and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Governors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Centre and of the incoming resources and application of resources, including income and expenditure, of the Centre for the year. In preparing these financial statements, the Governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Centre will continue in operation.

The Governors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Centre and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Centre and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Centre's Governors are aware:

- there is no relevant audit information of which the Centre's auditors are unaware; and
- the Governors have taken the steps needed to be aware of any relevant audit information and to establish that the Centre's auditors are aware of that information.

# REPORT OF THE GOVERNORS FOR THE YEAR ENDED 31 JULY 2019 (continued)

#### **Investment funds**

The Centre's investment funds are managed by J M Finn & Co.

## Valuations at 31 July 2019

## Expendable and partly expendable portfolio

The MCA Fund	£6,047,438	(2018: £5,882,567)
General funds	£341,767	(2018: £878,156)
The Yarnton Trust (Muller Library Fund)	£1,411,922	(2018: £1,373,063)
Permanent portfolio		
General funds	£1,284,986	(2018: £1,238,773)
OCHJS, Library and Fellowship	£1,049,823	(2018: £1,012,206)
The Yarnton Trust	£659,438	(2018: £633,793)
Other – expendable funds		
The Polonsky Foundation	£754,991	(2018: £ 719,456)
Lecture funds	£151,362	(2018: £ 109,368)

# Performance of investments against objectives

The investment objectives are to seek a combined long term return from income and capital growth, with a bias towards income, with the adoption of a medium risk investment portfolio.

#### REPORT OF THE GOVERNORS FOR THE YEAR ENDED 31 JULY 2019 (Continued)

#### **Directors and Governors**

The Governors (who are also directors of the Charitable Company) set out below have held office for the whole of the period from 1 August 2018 to the date of this report, unless otherwise stated. In accordance with the Articles of Association, Mr David Lewis, Mr Martin Paisner, Mr Daniel Peltz OBE, Mr Marc Polonsky, Ms Anne Webber resign. Mr Lewis, Mr Peltz and Ms Webber, being eligible, offer themselves for re-election for a further period of 3 years from December 2018. The Lord Fink of Northwood resigns as Co-Chair and offers himself for re-election for a further period of three years from December 2018.

The Lord Fink of Northwood (Co-Chairman)

Mr George Pinto (Co-Chairman) (died 10.09.18)

Professor Anna Sapir Abulafia (Vice-Chairman)

Professor Martin Goodman (President until 31 August 2018)

Dr Sondra Hausner

Professor Edmund Herzig

Mr David Joseph

Mr David Lewis

Dr Laurent Mignon

Professor Judith Olszowy-Schlanger (President, appointed 1 September 2018)

Mr Martin Paisner

Mr Daniel Patterson

Mr Daniel Peltz

Mr Stuart Roden

Ms Anne Webber

Professor Hugh Williamson

Mr John Bowers, QC

Professor Yaacov Yadgar

#### Appointment of Governors by the University

The following bodies have the power to appoint members of the Board of Governors in accordance with the Articles of Association:

The Humanities Board of the University of Oxford (two members): The appointees on 1 August 2019 were Sondra Hausner and Anna Sapir Abulafia.

The Oriental Studies Board of the University of Oxford (two members): The appointees on 1 August 2019 were Laurent Mignon and Edmund Herzig,

#### **Governor Appointments, Induction and Training**

Governors are also trustees of the Charity. Appointments are made by the Board giving proper regard to the range of skills and experience needed to govern the Charity. On appointment, Governors are provided with copies of the Centre's governing documents, annual reports and other current relevant material. Ongoing legal, investment and other advice is thereafter provided to Governors as appropriate.

#### **Auditors**

Wenn Townsend have signified their willingness to continue in office as the Centre's auditors, and a resolution proposing their reappointment will be put forward at the forthcoming Annual General Meeting of the Centre.

Approved by the Board of Governors on 10th December 2019 and signed on its behalf by

Professor Judith Olszowy-Schlanger, President

Gulike Schlanger

# INDEPENDENT AUDITORS' REPORT TO THE GOVERNORS OF THE OXFORD CENTRE FOR HEBREW AND JEWISH STUDIES

We have audited the financial statements of The Oxford Centre for Hebrew and Jewish Studies (the 'Centre') for the year ended 31st July 2019 which comprise the Statement of Financial Activities, Summary Income and Expenditure, the Balance Sheet and the Cash Flow Statements, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Centre's affairs as at 31st July 2019, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
   and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the governors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the governors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the centre's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The governors are responsible for the other information. The other information comprises the information included in the Report of the Governors, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the governors' report (incorporating the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

# INDEPENDENT AUDITORS' REPORT TO THE GOVERNORS OF THE OXFORD CENTRE FOR HEBREW AND JEWISH STUDIES (continued)

#### Matters on which we are required to report by exception

In the light of our knowledge and understanding of the centre and its environment obtained in the course of the audit, we have not identified material misstatements in directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit, or
- the governors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the governors report.

#### Responsibilities of trustees

As explained more fully in the governors' responsibilities statement set out on page 3, the governors (who are also the directors of the centre for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the governors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the governors are responsible for assessing the Centre's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the governors either intend to liquidate the centre or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the Centre's governors, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Centre's governors those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Centre and the Centre's Governors as a body, for our audit work, for this report, or for the opinions we have formed.

Lee Baker BA FCA (Senior Statutory Auditor) For and on behalf of Wenn Townsend

Chartered Accountants and Statutory Auditor

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2019

#### 1 Accounting policies

Oxford Centre for Hebrew and Jewish Studies is a charitable company limited by guarantee in the United Kingdom. In the event of the Centre being wound up, the liability in respect of the guarantee is limited to £1 per member of the Centre. The address of the registered office is given in the Centre information in these financial statements. The nature of the Centre's operations and principal activities are included in the Governors' report.

The Centre constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16th July 2014, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice as it applies from 1st January 2015.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

#### (a) Accounting convention

The financial statements are prepared under the historical cost convention as modified by the revaluation of fixed asset investments.

#### (b) Income

Income has been credited to the SOFA on the following basis:

- Donations and dividends are recognised on a receivable basis and include any income tax recoverable;
- Unrestricted income allocated for a specific purpose by the Centre is treated as a designated fund:
- Donations received for specific purposes and not yet due to be spent, are carried forward as deferred income and matched with related expenditure;
- Interest and rents are recognised on an accruals basis.

#### (c) Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

#### (d) Fixed Assets

Equipment with a value greater than £1,000 is capitalised. Depreciation is provided on a straight-line basis at a rate of 25% per annum on the cost less residual value of each asset.

Short leasehold land and buildings are depreciated over the lease term

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2019

#### 1 Accounting policies (continued)

#### (e) Investment Property

Land retained on the sale of Yarnton Manor is measured at fair value at each reporting date with changes in fair value recognised in 'net gains/(losses) on investments' in the SOFA.

#### (f) Investments

Listed investments are stated at fair value. Net realised and unrealised gains and losses on investment assets are accounted for as part of the related funds when they occur, the calculation having been based on fair value.

#### (g) Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

#### (h) Taxation

The Centre is a charitable institution with exemption from taxation on its charitable activities under section 505 of the Income and Corporation Taxes Act 1988.

#### (i) Foreign currencies

Foreign currency transactions are initially recognised by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

Monetary assets and liabilities denominated in a foreign currency at the balance sheet date are translated using the closing rate.

# (j) Operating leases

Rentals payable under operating leases are charged to the SOFA over the term of the lease.

#### (k) Employee benefits

When employees have rendered service to the Centre, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

The Centre participates in the Universities Superannuation Scheme ("the USS") and the University of Oxford Staff Pension Scheme ("the OSPS") on behalf of its staff. Both schemes are contributory defined benefit schemes (i.e. they provide benefits based on length of service and pensionable salary). The assets of USS and OSPS are each held in separate trustee-administered funds.

Both schemes are multi-employer schemes and the Centre is unable to identify its share of the underlying assets and liabilities of each scheme on a consistent and reasonable basis. Therefore, as required by FRS 102, the Centre accounts for the schemes as if they were defined contribution schemes.

Both schemes have put in place agreements for additional contributions to fund their past service deficits. In accordance with the provisions of FRS 102, the Centre has recognised a liability for the future contributions that it estimates will be payable as a result of these deficit funding agreements.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2019

#### 1 Accounting policies (continued)

#### (I) Allocation of expenditure

Specific items of expenses are attributed to the appropriate category:

- cost of raising funds, being the costs associated with generating incoming resources from all sources other than undertaking charitable activities;
- charitable activities, being the resources applied by the Centre in undertaking its work to meet its charitable objectives;
- support costs which are allocated to activity cost categories on a consistent basis, e.g. staff
  costs by the time spent and other costs by their usage.

#### (m) Fund accounting

Funds held by the Centre are:

- unrestricted general funds which can be used in accordance with the charitable objects at the discretion of the Governors;
- designated funds which are funds set aside by the Governors out of unrestricted general funds for specific future purposes or projects;
- restricted funds which can only be used within the objects of the Centre as specified by the donor for the particular restricted purposes for which they are raised.
- endowment funds which are capital funds where, apart from endowments expendable in part
  or in whole (some of which are subject to restrictions on how much capital may be spent on
  an unrestricted basis), there is normally no power to spend the capital as if it was unrestricted
  income.

Further explanation of the nature and purpose of the funds is included, where practicable, in the notes to the financial statements.

#### (n) Basis of allocation of costs between Unrestricted and Restricted Funds

Costs are specifically recognised as being for unrestricted or restricted purposes and are allocated accordingly.

#### (o) Gifts in kind

Properties, investments and other fixed assets donated to the Centre are included as donation income at market value at the time of receipt.

#### (p) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The Governors have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Centre to be able to continue as a going concern

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2019

#### 1 Accounting policies (continued)

#### (q) Critical accounting judgements

Critical accounting judgements

FRS 102 makes the distinction between a group plan and a multi-employer scheme. A group plan consists of a collection of entities under common control typically with a sponsoring employer. A multi-employer scheme is a scheme for entities not under common control and represents (typically) an industry-wide scheme such as that provided by USS and OSPS. The accounting for a multi-employer scheme where the employer has entered into an agreement with the scheme that determines how the employer will fund a deficit results in the recognition of a liability for the contributions payable that arise from the agreement (to the extent that they relate to the deficit) and the resulting expense is recognised in income or expenditure. The Governors are satisfied that the scheme provided by USS and OSPS meets the definition of a multi-employer scheme and has therefore recognised the discounted fair value of the contractual contributions under the funding plan in existence at the date of approving the financial statements.

#### (r) Key sources of estimation uncertainty

Pension scheme liability

The Governors are required to make assumptions on future staffing levels and appropriate discount rates when calculating the USS and OSPS pension scheme liability. These are included as best estimates at the date of calculation, but present a significant risk in potentially causing a material adjustment to the balance sheet.

#### 2. Income

The results for the year are attributable to the principal activity, the advancement of education and research in the field of Hebrew and Jewish Studies.

#### 2.1 Voluntary income comprises

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2019

#### 5 Governors' and key management personnel remuneration and expenses

Except for the president, the Governors received no remuneration or reimbursed expenses during the year (2018: £Nil).

The total amount of employee benefits received by key management personnel was £35,032 (2018: £61,381).

The Centre considers its key management personnel are the Board of Governors, and the Senior Management Team.

No Governors (2018: none) are accruing pension arrangements.

#### 7 Governors' remuneration

The President

THE T TESIGETIC	2019 £	2018 £
alary (excluding employer's national insurance) mployer's national insurance contributions ersonal pension	5,472 407 703	25,182 2,443 4,215
	6,582	31,840

During the year there was a change of president and a change of remuneration arrangements. Payments totalling £458,403 were made to the university, of which £131,538 relate to services rendered as president.

Expenses of £129 (2018: £638) were reimbursed to or paid on behalf of the President, in respect of travel and subsistence costs incurred. Further expenses of £4,009 (2018: £7,782) were reimbursed to or paid on behalf of the acting President, in respect of accommodation and travel costs incurred.

#### Other Governors

No other Governor received remuneration or expenses from the Centre during the year.

The cost of Professional Indemnity, Governors' and Officers' Liability was £7,361 (2018: £6,640).

#### 8 Staff costs including Governors' remuneration

	2019 £	2018 £
Wages and salaries	294,007	252,050
Social security costs	12,915	19,584
Other pension contributions	24,827	37,725
Movement in provision	37,964	(30,434)
	369,713	278,925

There were no employees earning over £60,000 per annum.

Research stipends of £100,731 (2018: £105,966) were paid to visiting academics to cover living expenses, rental accommodation in Oxford and travel costs.

Salary grants of £247,346 (2018: £243,948) were paid to the University of Oxford and a further £22,698 accrued (2018: £19,329) which remunerated five of the Centre's Fellows, none of whom were Governors during the period.

The average number of persons, including Governors, employed by the Centre including those working part-time on a long-term basis, were as follows:

	201	2019		)18
	Full-time	Part-time	Full-time	Part-time
Academic	1	1	3	5
Administration	1	6	1	6
	2	7	4	11

#### 9 Tangible fixed assets

	2019 £	2018 £
Clarendon Institute Building Capital improvement and alternations to internal space at 1 August Less: Depreciation charge for the year	98,001 (8,167)	106,168 (8,167)
Books and equipment	89,834	98,001
Library collections	1	1
Total fixed assets at 31 July 2019	£89,835	98,002

The assets are all used for the furtherance of the Centre's objects in the advancement of education in the field of Hebrew and Jewish Studies.

## **Leopold Muller Memorial Library**

All holdings and collections of the LMML were gifted to the Chancellor Masters and Scholars of the University of Oxford under a Deed of Gift dated 29 August 2014 and are held on trust as part of the Bodleian Libraries Fund.

#### The Clarendon Institute, Walton Street, Oxford

On 1 September 2014, the Centre relocated its operations to University of Oxford offices in central Oxford under a Licence to Occupy part of the Clarendon Institute until 21 September 2030.

#### Depreciation

The Centre has spent £122,501 on alterations and refurbishment of a new lecture room. The capital sum is being depreciated over the term of the Centre's Licence to Occupy (15 years). Depreciation charged for the year was £8,167.

#### **Equipment**

In accordance with the accounting policies of the Centre, fixed assets purchased in the period were written down to zero.

#### **NOTES TO THE FINANCIAL STATEMENTS** FOR THE YEAR ENDED 31 JULY 2019

10	Investment	property	/ - endowment	properties
----	------------	----------	---------------	------------

moduliem property endermiem properties	2019 £	2018 £		
Yarnton Manor land retained on sale at valuation	221,500	221,500		
	221,500	221,500		

The original cost value of the retained land was £64,563. The land was independently valued by Carter Jonas LLP, RICS Registered Valuers, at a market value of £221,500 during the year ended 31st March 2016.

The land is included as an investment property as it is no longer used for the Centre's own purposes.

The MCA Endowment Fund is a separate fund for the purposes of advancing education in Hebrew and Jewish Studies. The donor of the original grant of £3,000,000 specified that the capital, which is to be invested on professional advice in order to obtain the maximum long-term total return (net of any tax) which is regarded from time to time as a prudent target for the Fund, may be spent provided that:

- (1) the total of income, realised and unrealised gains spent in any full financial year of the Centre does not exceed 8% of the original grant as increased by the percentage increase in the UK Retail Prices Index from 30 June 2001 to the beginning of such financial year, but so that any unspent part of such 8% may be carried forward and spent in subsequent financial years in addition to such 8% limit each such financial year and
- (2) the market value of the capital of the Fund (after deducting any losses and liabilities, whether actual, accrued or contingent) not more than 30 days prior to the date on which the Governors resolve to spend the gains is not less than the original grant (increased as specified in the proviso (1) above) after excluding the gains resolved to be spent.

Provisos (1) and (2) are also applied to the additional grants of £1,062,350 from their respective dates of receipt. There were no additional grants during the year ended 31 July 2019 (2018: £nil). At 31 July 2019, the total grants increased by the UK Retail Prices Index for the relevant periods, amounted to £5,986,742 (2018: £5,872,996) so that the market value of £6,047,438 (2018: £5,882,567) gave rise to a surplus of £60,696 (2018: £9,571).

The unspent parts of 8% per annum aggregate to £4,063,458 (2018: £3,801,379).

#### MSt teaching and scholarships

This fund represents scholarships received for students studying for the Master of Jewish Studies. Expenses allocated to this fund are those related to the programme.

#### Fellowships, visiting

Grants received cover the costs of the Oxford Seminars on Advanced Jewish Studies held during the year. A full report on the academic activities relating to the Seminars is published in the Centre's separate Annual Report for the year.

#### Fellowships, permanent

The money received represents donations to pay for the employment of Centre fellows.

#### **Library Fund**

This income represents investment income received from the Leopold Muller Memorial Library fund held within The Yarnton Trust.

#### **Looted Art Research Unit**

The donations received for this fund are used to support the work of a Central Registry of Information on Looted Cultural Property 1933 – 1945.

#### 19 Transfers

Transfers between unrestricted, designated, restricted or endowment funds during the year are show in the Statement of Financial Activities on page 8.

#### 21 Pension Commitments

#### Universities Superannuation Scheme ("USS")

The pension charge for the year includes £27,558 (2018: £(590)) in relation to the USS. This represents contributions of £32,616 (2018: £28,917) payable to the USS in the year, as adjusted by the change in the deficit funding liability between the opening and closing balance sheet dates of £2,568 (2018: £26,133) deficit contributions net of discounting of £2,490 (2018: £3,374).

The latest available complete actuarial valuation of the Scheme is at 31 March 2017 ("the valuation date"), which was carried out using the projected unit method. As at the year-end a valuation as at 31 March 2018 was underway but not yet complete.

USS' actuarial valuation as at 31 March 2017 takes into account the revised benefit structure effective 1 April 2016 agreed both by the Joint Negotiating Committee and the Trustee in July 2015 following the Employers' consultation which concluded in June 2015. Key changes agreed include: for Final Salary section members, the benefits built up to 31 March 2016 were calculated as at that date using pensionable salary and pensionable service immediately prior to that date and going forwards will be revalued in line with increases in official pensions (currently CPI); all members accrue a pension of 1/75th and a cash lump sum of 3/75ths of salary each year of service in respect of salary up to a salary threshold, initially £55,000 p.a., with the threshold applying from 1 October 2016; member contributions were 8% of salary but will increase in stages from 1 April 2019 to a level of 11.7% from 1 April 2020; a defined contribution benefit for salary above the salary threshold at the total level of 20% of salary in excess of the salary threshold. Further details about the benefits may be reviewed on USS' website, www.uss.co.uk. For the period up to 1 April 2016 the employer deficit contribution was 0.7% p.a. of salaries based on the assumptions made. After allowing for those changes, the actuary established an employer contribution rate of 18% pa of salaries for the period from 1 April 2016 to 31 March 2019, 19.5% from 1 April to 30 September 2019, 22.5% from 1 October 2019 to 31 March 2020 and a long-term rate of 24.2%. On the assumptions made and with the salary threshold and defined contribution section implemented this gives rise to deficit contributions of at least 5% p.a. of salaries from 1 April 2020. At 31 March 2019 USS reported that the estimated funding deficit was £5.7bn (92% funded).

USS' actuary has assumed that the investment return is CPI – 0.53% in year 1, decreasing linearly to CPI – 1.32% over 10 years, CPI + 2.56% from year 11 reducing linearly to CPI + 1.7% by year 21, remaining at CPI + 1.7%.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2019

#### 21 Pension Commitments (continued)

USS' actuary has assumed that general pay growth will be CPI +2 in year 1, CPI + 2% in year 2 and thereafter. It is assumed that CPI is based on the RPI assumption (market derived price inflation of 3.6% p.a. less an inflation risk premium) less RPI/CPI gap of 1.0% p.a.

#### Sensitivity of actuarial valuation assumptions

Surpluses or deficits which arise at future valuations may impact on the college's future contribution commitment. The sensitivities regarding the principal assumptions used to measure the scheme liabilities are set out below:

Assumption	USS Change in assumption	Impact on USS liabilities
Initial discount rate	increase / reduce by 0.25%	decrease / increase by £3.3bn
Asset values	reduce by 10%	increase by £6.0bn
RPI inflation	increase / reduce by 0.25%	increase / decrease by £3.3bn
Rate of mortality	more prudent assumption (mortality used at last valuation, rated down by a further year)	increase by £1.6bn

In line with FRS 102 paragraph 28.11A, the College has recognised a provision of of £58,977 has been made at 31 July 2019 (2018: £20,663) for the present value of the estimated future deficit funding element of the contributions payable under this agreement. In determining the level of this provision, it has been assumed that the College will continue to have a constant level of employee participation in this scheme and that the relevant earnings of these employees will increase in line with the actuary's projected long-term salary rate increases. The provision reduces as the deficit is paid off according to the pension recovery scheme.

The 2018 actuarial valuation was finalised after the year end which indicated a shortfall of £3.6 billion, following the completion of the 2018 actuarial valuation, a new deficit recovery plan has been agreed. This amends the existing deficit recovery plan as set out in the 2017 valuation Schedule of Contributions. This new plan requires deficit payments of 2% of salaries from 1 October 2019 to 30 September 2021 and then payments of 6% of salaries from 1 October 2021 to 31 March 2028.

A copy of the full actuarial valuation report and other further details on the scheme are available on the USS website <a href="https://www.uss.co.uk">www.uss.co.uk</a>.

#### Oxford Staff Pension Scheme ("OSPS")

The pension charge for the year includes £14,947 (2018: £7,881) in relation to the OSPS. This represents contributions of £10,388 payable to the OSPS as adjusted by the deficit contributions (net of discounting) of £709 (2018: £927).

OSPS' actuarial valuation as at 31 March 2016 identified a required long-term employer contribution rate of 17.3% of total pensionable salaries, with a funding deficit of £133m. The valuation results reflect a number of changes to benefits that were agreed following an Employers' consultation in early 2017, including from 1 April 2017 a change in indexation based on the average of RPI and CPI, from 1 October 2017 a defined contribution section for new entrants and from 1 April 2018 breaking the final salary link for certain members and increased employee contributions. The actuary has certified that the recovery plan should eliminate the deficit by 30 June 2027. The next triennial valuation is due with an effective date of 31 March 2019.

The OSPS employer contribution rate required for future service benefits in the defined benefit section alone is 17.3% of total pensionable salaries from 1 April 2018. The employer contribution rate was 23% from 1 August 2016 to 31 July 2017. It was agreed that employer contribution rate would be 19% for both defined benefits members and defined contributions members who join on or after 1 October 2017. Part of contribution for defined contribution members would be paid to the defined benefit section to cover the deficit recovery plan, the provision of ill-health and death-in service benefits and the expenses of administering the defined contribution section.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2019

#### 21 Pension Commitments (continued)

#### Sensitivity of actuarial valuation assumptions

	OSPS	
Assumption	Change in assumption	Impact on OSPS technical provisions
Valuation rate of interest	decrease by 1.0%	(from 80% funded at 31/03/2016) 68%
Rate of pension increases	increase by 1.0%	69%
Life expectancy	more prudent assumption (life expectancy increases by 3 years)	72%

In line with FRS 102 paragraph 28.11A, the College has recognised a provision of £6,604 has been made at 31 July 2019 (2018: £6,955) for the present value of the estimated future deficit funding element of the contributions payable under this agreement. In determining the level of this provision it has been assumed that the College will continue to have a constant level of employee participation in this scheme and that the relevant earnings of these employees will increase in line with the actuary's projected long-term salary rate increases. The provision reduces as the deficit is paid off according to the pension recovery scheme.

A copy of the full actuarial valuation report and other further details on the scheme are available on the University of Oxford website http://www.admin.ox.ac.uk/finance/epp/pensions/schemes/osps/.
