CENTRE FOR HEBREW
AND JEWISH STUDIES

INFORMATION FOR VISITING SCHOLAR APPLICANTS

Application Procedure

The Centre invites applications for Visiting Scholar status at any time throughout the year. The period of tenure for a Visiting Scholar is normally between *two and six months* and must include an Oxford University term. Exceptionally, other periods may be considered.

All applications are considered by the Centre's Fellowships and Visitors Committee, whose decisions are ratified by the Hebrew and Jewish Studies Management Committee.

Please note that the Committee will only consider *complete* applications (see "Required Documentation" below). The responsibility for ensuring that references are received on time rests with the applicant.

Required Documentation:

1. Completed Visiting Scholar Application Form
2. Curriculum Vitae
3. List of Publications
4. References from two academic referees
5. A two-/three-page statement detailing the research you intend to conduct during your tenure at the Centre (including the use that you would make of Oxford libraries and the Centre's own Library and Archives).

Please send all documentation to:
